COMING FROM STUDIO 3DO THIS FALL!

Golden Gate: Treasure by the Bay

Two hundred years ago, an exiled king fled to the new world to bury his past with his treasure near the new mission in what is now called San Francisco. Become a thrill-seeking hunter and embark upon the adventure of a lifetime.

Killing Time

Surrounded by a host of long dead but restless beings, use your wits and weapons to make your way through the heart of this dark mystery. Step through eerie hallways into incredibly detailed rooms, speak to the video-real shades of past residents, and be ready to kill or be killed.

Phoenix 3

Navigate the treacherous corridors of enemy compounds and engage in pulse-pounding space-age dog fights. Phoenix 3 is part side-scroller, part space shooter, and all action.

SnowJob

Sex, drugs, and violence come together in this interactive mystery combining the elements of an adventure game with gritty cinematic video sequences. Serve and protect Assistant District Attorney Lara Calabreze (Tracy Scoggins) as she leads a crusade against a powerful drug cartel.

Star Fighter

Gratuitous explosions and smoldering wreckage! Everything can be blown up in this trackless 3D flying shooting with silky-smooth controls and an excellent frame rate.
